PLEASE EMAIL swimteamaccounts@swimatlanta.com WITH ANY ACCOUNT RELATED QUESTIONS!

2026-2027 team billing cycle will run **TEN monthly installments September – June** for all swimmers.

2026-2027 registration and meet signups will be hosted on **CAPTYN software**.

(Membership Suspension/Cancelation info on page two)

Registration Fee:

Each athlete on the 2026-2027 team is required to pay a **\$230.00 non-refundable** registration fee (some beginner groups may have a lower fee with alternate team outfitting). This fee includes membership to the SwimAtlanta 2026-2027 team, and team outfitting (SwimAtlanta long sleeve shirt, short sleeve shirt, and swim cap). The registration fee will drop to \$115.00, effective January 1st, 2027 and will at that time, no longer include team outfitting. The registration fee does not include any of the 10 monthly tuition installments or the USA Swimming registration fee (see *Meet Entry Policies Document* for more information on the 2026/2027 USA Swimming Registration Fee. USAS fee ranges from \$30-\$92 and is only required for meet participants).

Monthly tuition is billed in 10 monthly instalments (September-June) This includes a membership through August 2027.

Monthly Invoices:

All monthly invoices are created at 12:00am on the 1st day of each month. Your monthly invoice will include that month's tuition installment as well as any meet fees from the previous month. Each month's invoice must be paid within 10 days of posting (see below for payment details).

Payments:

Monthly tuition and meet fees can be paid via AUTO-PAY only. Visa/MasterCard/Discover/American Express cards are accepted. **ACH Bank Draft is preferred and will be granted a 3% discount to tuition.**

SwimAtlanta does not accept partial payments or pre-payments.

Meet Fees:

Once a swimmer is committed online for any swim meet, team trip, or any other event listed in the events page at swimatlanta.com; and the online commitment withdrawal/sign-up deadline has passed, the account holder of the swimmer is financially responsible and will be billed for that event. Specifically note: swim meets missed for illness will not be credited for any reason; fees are incurred prior to the meet and cannot be refunded or reimbursed. Swim meets and/or team events are encouraged but not required for most groups.

Multi Swimmer Discount:

Families with multiple active paying swimmers will receive a discount on the additional swimmer's monthly dues. There is a 10% discount to the 2nd swimmer, a 15% discount to the 3rd swimmer, a 20% discount to the 4th swimmer, and a 25% discount to the 5th swimmer. Discounts apply to the swimmer's paying the lesser amount each month. Multiple swimmers must be registered on the same account and

must be living in the same household. The multi-swimmer discount applies to **monthly dues only** and does not apply to the registration fee, meet fees, or any other fees.

Changing Roster Groups:

If your swimmer moves to another roster group mid-season, your monthly rate will be reflected on the following month's invoice. (ex. Jane moves from Red group to Blue group on October 15th, her invoice on November 1st will reflect the Blue group rate)

Medical Suspensions:

Please email Caleb Weir at swimteamaccounts@swimatlanta.com if your swimmer is injured or ill and cannot participate in swim practice or meets for one or more months. You will be required to provide a signed and dated doctor's note in order to suspend your swimmer's membership due to injury after the first day of the month you wish to suspend the membership, or to be credited back any dues to your account in the event of injury or illness.

Canceling Memberships:

Do not rely on your coach to relay this information. Your monthly invoices will be discontinued, **effective the following month.** Account balances must be paid in full in order to cancel a registered swimmer's membership.

Holidays / Breaks:

In April, there will be a week vacation for the coaches and staff that aligns with the Spring Break for the major public-school district in the SwimAtlanta location's area. Your normal monthly payment is due in April because the monthly payment for each practice group is based upon the total amount of practice time during the season. In addition, the total practice time for each team is added up for the entire season (all practices for August through July) and divided by monthly payments for your convenience. SwimAtlanta takes in consideration Christmas, New Year's, Spring Break, the beginning of the school year break, etc. Monthly rate cannot be adjusted due to individual schedules.

For further information and for frequently asked questions, please see our **Parent Handbook located at SwimAtlanta.com**.
