LEVEL DESCRIPTIONS

Infant & Toddler (INF/TOT) 6 months-3 years: Parent and child participate in water adjustment, safety and basic skill activities.

Preschool 1 (PS1) 3-5 years: Introduction to swimming for non-swimmers with emphasis on basic motor skills, face in the water, blowing bubbles, holding breath, going under the water and jumping in the water.

Preschool 2 (PS2) 3-5 years: For children who are comfortable, confident and already going under and jumping in the water. The class will focus on teaching unassisted swimming.

Preschool 3 (PS3) 3-5 years: For children who swim 5 feet unassisted with their face in the water. This class will focus on beginner's front crawl, arm recovery, independent breathing and introduction to backstroke.

Preschool 4 (PS4) 3-5 years: For children who swim at least 20 feet of freestyle and backstroke and are ready for advance technique in these strokes and rotary breathing.

Gradeschool 1 (GS1) 6-12 years: Introduction to swimming for non-swimmers.

Gradeschool 2 (GS2) 6-12 years: For children who can swim at least 5 feet unassisted with their face in the water. GS2 teaches freestyle with face in the water and backstroke.

Gradeschool 3 (GS3) 6-12 years: For children who can swim at least 20 feet of freestyle and backstroke and are ready for advance technique in those strokes and rotary breathing.

Gradeschool 4 (GS4) 6-12 years: For those who can swim freestyle and backstroke 25 yards and are ready to focus on endurance building techniques and diving. GS4 is the first class that the instructor teaches solely from the pool deck.

Pre-Competitive (PC) 6-12 years: Teaches butterfly and breaststroke to those who are already comfortable and proficient in freestyle and backstroke for multiple laps.

****13 years and older are no longer in the children swim classes. ****

Adult Beginner (ADULT) 13 years and up: For the adult who wishes to learn or improve on the basics of swimming.

Adult Intermediate Stroke Clinic (AISC) 13 years and up: For the adult who can swim freestyle and backstroke and is ready to increase technique and distance.

Adult/Teen Stroke Clinic/PC (ASC/PC) 13 years and up: *must be approved for this level* Teaching and strengthening Butterfly and Breaststroke for those that are already doing multiple laps of freestyle with breathing to the side and backstroke.

****Swim team try outs for those swimming multiple laps of freestyle with breathing to the side, backstroke, butterfly and breaststroke already****
