

With Rick Vogler and Andy Griffin as our experienced swim coaches, with a combined 40 years of professional coaching, our clinics will emphasize specific techniques for freestyle, backstroke, breaststroke, and butterfly strokes. Through targeted drills, focused technique instruction, and clear communication, swimmers can enhance their overall skills.

This summer, our clinics cater to a range of swimmers, from beginners seeking to master the fundamentals to seasoned athletes looking to refine their strokes and technique. Conducted in a group setting, our clinics foster a collaborative environment where swimmers can learn from one another and provide mutual support in pursuit of their swimming aspirations.

Please join us at our newly renovated Swim Atlanta facility at 795 Old Roswell Road, Roswell GA! Register below and see you soon! Any questions, please email us!

Best Regards,

Swim Atlanta Roswell Coaching Staff
